v.

No. 2:17-cv-122-DPM

MONSANTO COMPANY  
and BASF CORPORATION

DEFENDANTS

ORDER

For the reasons stated on the record at the end of the 5 September 2017 hearing, Monsanto's motion to transfer, *No. 8*, is granted. The forum-selection provision in the parties' agreements is plain and clear. It's reasonable, not unconscionable. The non-signatory applicator's claims are carried to the other forum with his co-plaintiffs' claims. This case is transferred now<sup>1</sup> to the United States District Court for the Eastern District of Missouri.

So Ordered.
